

BHUVAN

SRIVASTAVA

- Graphic Designer & Visual Artist
- Experience Designer
- Production Designer
- Creative Technologist & Generative Artist
- Experiential & Game Designer

EDUCATION

Parsons School of Design, New York	2021–23	Srishti Institute of Art & Design, Bangalore	
Master of Fine Arts in Design and Technology		M.A. in Visual Communication (3 semesters)	2020-21
Aalto University, Helsinki, Finland	Aug 2022	Zee Institute of Creative Arts, Mumbai	2019
Summer Program in Circular Economies & Co-Design		Graphic Design & Visual Identities	
• Collaborated with 5 leading global design institutions			
• Awarded 100% grant by the EU			
The Royal Danish Academy of F.A., Copenhagen		Shiv Nadar University, Delhi NCR	2012–16
Program in Interaction Design	Mar 2023	Major: Bachelor of Technology – ECE	
		Minor: Communication	

SKILLS

Graphic Design:	Adobe Photoshop, illustartor, Indesign, Figma, TouchDesigner
Fabrication & Printing:	3D printing, Laser Cutting, CNC Milling, Woodshop, Risograph, Letterpress, Screen Printing
3D & Game Design:	Unity Game Engine, C#, AR/VR, Rhino, Blender
User Experience Design (UI/UX):	Market Research, User Interviews, Usability Testing, Heuristic Evaluation, User Personas, Journey Mapping, Empathy Mapping, User Flows, Wireframes, Prototyping, UI Design
Generative Art:	p5.js, TouchDesigner, JavaScript, HTML/CSS, Arduino, Raspberry pi, C#, .NET
Data Visualization:	Power BI, Tableau, SQL, Python, Snowflake DB

EXPERIENCE

Asst. Professor - founding faculty for the School of Design	Oct'25–Present
Graphic Era University	Dehradun, India
• Founding faculty: Spearheaded the School of Design from scratch, driving the inaugural student cohort intake, designing curricula across 6 distinct B.Des and M.Des programs, and defining the department's collective culture.	
• Engineered the department's visual language, web presence, and promotional photoshoots; merged artistic storytelling with strategic growth to boost enrollments and public interest.	
• Creative Technologist: Concepted & built the university's Physical Computing lab, laying down a culture of translating complex theories into tangible, hands-on environments for physical computing, tangible interfaces, and emerging media.	
• Interdisciplinary Educator: Cultivate a playful yet rigorous studio environment mentoring students in Emerging Media, Visual Communication, Systems Thinking, UX principles for industrial problem-solving, and creative entrepreneurship.	
Experience Designer	Oct'23–Jul'24
Bright Mind Enrichment & Schooling	New York, USA
• Designed and developed 2 websites for BME with intuitive usability & accessibility to the platforms	
• Helped create a consistent & seamless brand identity system to implement across all org. websites/apps	
• Launched the websites on WordPress, implementing the HTML/CSS code and web-interactivity	
• Conducted user-tests; presented Usability Heuristics based UI design recommendations to the founding Board	
Interaction/UX Designer	March 2023
National Gallery of Denmark	Copenhagen, DMK
• Implemented playful interactions for the national museum, successfully increasing public engagement & accessibility.	
• Designed rapid prototypes and user tests to install live interactions towards museum's goal of democratising art	

Student Design Technician
The Making Center, Parsons School of Design

- Assisted Parsons students with design projects in material fabrication and sensor-based physical computing
- Professionally operated Vinyl & 3D printers, Laser Cutters, CNC & Milling machines and Wood shop machines

Sep'22–Jun'23
New York

Data Visualization Engineer, Web Developer
Cognizant Technology Solutions – [Client: Bank of America, Kotak Life]

- Designed visually comprehensive Data Visualization Dashboards for Business Intelligence
- On-site Consultant – Database Engineer, .Net Developer including web technologies
- UI/UX: Developed MS Sharepoint web app workflows and wireframes based on user testing.
- Worked closely with all levels of management and departments to prioritize tasks and meet deadlines

Dec'16–Jun'19
Mumbai

PRODUCTION DESIGN EXPERIENCE

Production Design - Graphics
Graphics, Visual Artist, Shoot Handling, Construction
Project: **Feature Film - USTARA** – Nadiadwala Grandson Ent.
Production Designer: **MUSTAFA STATIONWALA**
Director: **VISHAL BHARDWAJ**

2024–2025

Production Design - Graphics
Graphics, Shoot Handling
Projects: **AD - AJIO** – The Little Button Films
Production Designer: **RAMAN RISHI & DIVYA JAIN**
Director: **TANVI GANDHI**

May 2025

Production Design
Graphics, Shoot Handling, Construction
Projects (x2): **AD - GHADI DETERGENT** – Apocalypse Films
Production Designer: **PRINCE & SHIVANI SINGH**
Director: **DEEPAK MATHEWS, JEET LOTIA**

May 2025

Graphic Designer
Graphics
Projects: **AD - MEESHO** – OMG Media Films
Production Designer: **RAMAN RISHI**
Director:

June 2025

Production Design
Graphics, Shoot Handling, Construction
Projects: **AD - ICE BGMI** – Films Rajendraa
Production Designer: **PRINCE & SHIVANI SINGH**
Director:

May 2025

Production Design
Graphics, Construction, Set Dressing
Project: **AD - SWIGGY INSTAMART** – Early Man Films
Production Designer: **MUSTAFA STATIONWALA**
Director: **AIYAPPA**

March 2025

Graphic Designer, Artist
Graphics, Visual Artist
Projects: **AD - CHIC NUTRIX** – Anil Kapoor Film Company
Production Designer: **DISHA DEY**
Director:

Aug 2025

KEY ACHIEVEMENTS

- Microsoft Certified: Data Visualization & Analyst Associate | Tableau Certified: Tableau Specialist
- Solely developed and launched Life's Levers, an acclaimed a 3D FPV game, as part of my thesis
- Awarded 100% grant by the EU for the global Design Schools Exchange in Aalto University on Sustainable Design
- MetLife– Bournville Award: “having consistently high quality of work, maximum issues identified and resolved”
- Awarded 100% scholarship for Bachelor’s degree at Shiv Nadar University
